Small Group and Individual Tuition TERMS AND CONDITIONS with effect from September 2022

The Love Music Trust (LMT) will use its best endeavours to engage a suitable instrumental tutor for your child to receive lessons on an instrument of their choice. To ease administration, LMT will liaise with schools to arrange a time for lessons to be delivered and will administer payments from parents and guardians. LMT tutors are self-employed contractors whose teaching is endorsed by us. LMT has no right of direction, control or supervision over their work. We do however monitor the quality of their teaching through observation, rates of retention and feedback from schools/parents and may remove our endorsement if we are not satisfied that a tutor is providing high quality, professional tuition.

The outline terms of the agreement are as follows:

COST AND PAYMENT. LMT use an online automated payments system, and will require you to authorise equal monthly recurring payments of £15.92 (shared tuition - 20 minutes in a pair or 30 minutes in a group of three), £23.89 (individual 15 minute tuition), £31.85 (individual 20 minute tuition) or £47.77 (individual 30 minute tuition). Payments are taken via direct debit on or immediately after the fifteenth of each month.

Occasionally, although shared lessons have been applied for, the only practical option is individual tuition. This is usually because no other children at the school want lessons on a particular instrument. As the minimum viable lesson length is 15 minutes, the Trust would therefore need to charge you an individual lesson rate if you wished to proceed.

Tuition charges are reviewed annually and any change in pricing would come in to effect from the start of the following academic year. Customers will be informed, in writing, by the end of May 2023 of any changes to pricing which would be effective from September 2023.

NUMBER OF LESSONS. A full year's course of tuition consists of 33 lessons. Courses which commence at other times will consist of:

After October h/t: 27 lessons	After Christmas: 21 lessons	After February h/t: 15 lessons	After Easter: 12 lessons	After May h/t: 6 lessons
-------------------------------	-----------------------------	--------------------------------	--------------------------	--------------------------

This means that your child may not receive a lesson during every week of the term/academic year. Where the above allocation is not met, a pro-rated refund will be made.

LESSONS MISSED BY CHILD. You must give LMT at least four weeks' notice of any school events, outings or other commitments that would result in your child not being able to attend their lesson. Given that notice the tutor will rearrange the session if possible or if it is impossible to reschedule the session within that academic year then you will be credited back the lesson cost at the end of the academic year. Regrettably, lessons cancelled with less than four weeks' notice may not be credited or rearranged.

LESSONS MISSED BY TUTOR. Where a lesson cannot be attended by the tutor, all efforts will be made by the tutor to ensure seven days' notice and the lesson will be rearranged. Where a lesson cannot be rearranged within that academic year then the value of the lesson will be refunded at the end of the academic year.

COMMUNICATION. LMT will provide a termly progress report to you by email. Parents' email addresses are made available to tutors (and vice versa) to allow more 'impromptu' feedback and communication and all pupils receive a practice diary, in to which progress notes will be made.

COMMITMENT. This agreement is for a 'rolling' programme of tuition. However, we recognise that circumstances can change and it may be necessary for you to terminate the arrangement. Tuition will only commence/end at the start/end of a term/half-term. You must give notice in line with the following dates:
